

EDWINA LEAPMAN

EDWINA LEAPMAN

Wherever **Edwina Leapman** was, whatever she saw or heard, she was thinking in colours. Music, tales, the things of the world – even in grey tristesse – brought up ideas for a life of wonderful colours in interaction with a monochrome ground. Old and new stories of a very special view on the world are told within painting of purely elegant structures and delicate tones.

Deeply honored by the trust of **Edwina Leapman** we present her artistic work in Germany in Cooperation with **Annelly Juda Fine Art London**.

Edwina Leapman lives and works in London.
