Pressrelease

**BUREAU**

Duration: 27 May until 30 June 2020

Open Sunda : 7 June 2020, 12 - 5 pm

Andreas Bausch (*1966, Wiesbaden) received the "Rheinischer Kunstpreis" in 2018, which is linked to a solo exhibition at the Rheinisches LVR-LandesMuseum in Bonn. The exhibition has been postponed until summer. As a result, the presentation of his most recent works on paper and canvas in the rooms of Galerie Judith Andreae were also postponed.

We have now taken this as an opportunity to launch the new exhibition format **BUREAU**. Works from the warehouse, new works by our artists from their studios, but also photographs, sculptures and graphic works by guest artists are presented in the office, the vaulted cellar spaces and the entire staircase of the historical Bach School.

**BUREAU** is to run parallel to the solo exhibitions in the future, thus allowing a broadly diversified view of the contemporary work of our artists.

Currently, **BUREAU** shows works by Andreas Bausch, Ivan Baschang, Johannes Brus, Felix Contzen, Pia Ferm, Jaime Gajardo, Dietrich Helms, Ke Li, Achim Mohné, Marleen Müller, Viktoria Strecker, Birgitta Weimer and Francis Zeischegg.
