

## Press Release

Andreas Bausch, o.T., 2020, Pigment, acrylic on paper, 200 x 500 cm.

### ANDREAS BAUSCH

With reference to the exhibition "Planet Bausch" in the LVR-LandesMuseum Bonn, which is taking place on the occasion of the awarding of the Rheinischer Kunstpreis 2018, we are presenting a solo exhibition of recent works by **ANDREAS BAUSCH** (\*1966 in Wiesbaden).

**Andreas Bausch** [1987 to 1993 Cologne University of Fine Arts, class of Prof. Karl Marx (Master Diploma in Painting) and of Robert van Ackeren (Film)] has received numerous scholarships and prizes, such as the Daniel-Henry Kahnweiler advancement award (1994); the scholarship of the Hessian Cultural Foundation at the Cité Internationale des Arts Paris (2001/2002); "Ex Tempore" - International Prize for Painting, Piran (2003); the Heinrich Böll Scholarship, Achill Island (2007) and the Studio Grant since 2010 from the Cultural Office of the City of Cologne, 2018 as the 9th Artist in a row. Prizewinner the Rheinischer Kunstpreis of the Rhein-

Sieg-Kreis. He convinced the jury with his independent and sustainable position in the field of painting as well as with his approach to abstract classical motives such as landscapes through new solutions and surprising elements.

The Cologne-based artist prefers to work with large formats that have their origin in concrete structures and landscapes. They experience their strong abstraction through accelerated roller writing, which can develop a tension between the visible world and a dissolution up to pure color painting.

In Andreas Bausch's first solo exhibition at Galerie Judith Andreae from August 20 until October 2, 2020, small to large-format works on paper, canvas and plywood will be presented along with anagrams that combine drawing and language.

Parallel to the solo exhibition, works from the series 'VEGAN\_SCANS' by media artist Achim Mohné (\*1964 Aachen) will be shown in our new exhibition format BUREAU, on the occasion of the artist monograph "DI\_GI\_TA\_LIS" published by Hatje Cantz.

The gallery will be open on the opening day, Thursday, August 20, from 10 a.m. to 10 p.m.

Of course, the current distance and hygiene rules apply.
